Sir,

In returning herewith licenses issued by the Hon'ble the Resident in Mysore for the importation of six revolvers, I have the honor to state that the licenses only reached my Office on 14th October and were only valid till 25th October. —

The revolvers were to come from Calcutta (Messrs. Wanton & Co who can supply the articles required better than any one else) and if I had sent the licenses to Calcutta the time for —

which they are valid would have expired before the revolvers reached me.

I have therefore the honor to request that the licenses may be re-issued and made valid up to a future date far enough away to enable me to forward them to the dealers in time.
